

# OBH SHATTERPROOF PILOT UPDATE

Join us for the launch of ATLAS, Shatterproof's new online platform for locating high-quality, appropriate alcohol or drug addiction treatment.

**Tuesday, July 21, 2020  
10:00 AM – 11:30 AM**

## **This virtual event will feature:**

- Remarks from our esteemed guest speakers.
- A first look at how ATLAS will help people find high-quality addiction treatment.
- A panel of state partners discussing how they will use ATLAS in their state.

## **Virtual launch speakers include:**

- Lipi Roy, MD, MPH, FASAM, Internal Medicine Physician, MSNBC and NBC News Medical Contributor
- Gary Mendell, Founder and CEO, Shatterproof
- Vice Admiral (VADM) Jerome M. Adams, MD, MPH, U.S. Surgeon General
- The Honorable James W. Carroll, JD, Director of National Drug Control Policy, Executive Office of the President
- Distinguished Panel of State Partners
