Home health care claims — incorrect payments

Healthy Blue identified that claims billed with procedure codes S9123 or S9124 were not paying the correct rate for the following modifiers: TN, TG, TV, UH and UJ.

No action is required from providers. Our system update has been completed. Claims that were not paid at the correct rate have been recycled.

If you have questions about this communication or need assistance with any other item, please contact your Provider Relations representative or Provider Services at **1-844-521-6942**.
