

April 2018

Eight injectable drugs will require prior authorization

Effective June 1, 2018, Healthy Blue will require prior authorization (PA) for eight injectable drugs. Please refer to the *Prior Authorization Lookup Tool* for detailed authorization requirements. Navigate to <https://providers.healthybluela.com> and select **Prior Authorization & Claims** from the menu at the top of the page. From the drop-down options, select **Prior Authorization Lookup Tool**.

Noncompliance with the new requirements may result in denied claims. A valid NCD code is required on submission. PA requirements will be added to the following codes:

- J0565 — Injection, bezlotoxumab, 10 mg
- J1428 — Injection, eteplirsen, 10 mg
- J2326 — Injection, nusinersen, 0.1 mg
- J2350 — Injection, ocrelizumab, 1 mg
- J9022 — Injection, atezolizumab, 10 mg
- J9023 — Injection, avelumab, 10 mg
- J9285 — Injection, olaratumab, 10 mg
- Q2040 — Tisagenlecleucel

Please use one of the following methods to request PA:

- **Web:** <https://www.Availity.com>
- **Fax:** 1-888-822-5595 (Inpatient); 1-888-822-5658 (Outpatient)
- **Phone:** 1-844-521-6942

Federal and state law, as well as state contract language including definitions and specific contract provisions/exclusions, take precedence over these prior authorization rules and must be considered first when determining coverage.

If you have questions about this communication or need assistance with any other item, call Provider Services at **1-844-521-6942**.
