

Dear Applicant:

Congratulations! You have chosen to take the first step in embarking on a career in Peer Support. Peer Support Specialists are an extremely important part of the Behavioral Health System of Care, and your application is the first step in becoming a part of that.

Before applying for Peer Support Specialist training, please know that the Peer Support Specialist training is a 2 week, 76 hour course. You will be expected to participate fully in class for 8 hours each day, and there are several hours of homework each night. It is a very intensive training and requires a large amount of effort and dedication in order to complete. Please consider this carefully before applying.

In order to be eligible for the training, applicants must meet minimum eligibility criteria which include: being at least 18 years of age, having at least a high school diploma or GED, have a lived experience with behavioral health challenges, and must have at least twelve (12) months of continuous demonstrated recovery. When filling out the application please read all questions carefully, and answer fully, either typing or printing your answers. Please do not leave any questions unanswered. We will not accept illegible or incomplete applications.

Completed applications should be scanned and emailed to Linda Boudreaux at lindabtem@bellsouth.net.

If you are already employed as a Peer Support Specialist, or your participation in the training will be sponsored by an organization, make certain to have your employer or sponsoring organization fill out the final page of this application. For applicants who are not employed by an LGE or state operated hospital, their employer will be required to to submit a \$500 registration for their Peers to attend the training. The registration fee supplements the overall training costs for the instructors, training materials, lunch on training days, and OBH approved travel costs. The registration fee must be submitted before the Peer Support Specialist is allowed to attend the training. A limited number of scholarships are available and must be applied for by the employer. Contact Linda Boudreaux with the Extra Mile at lindabtem@bellsouth.net or 337-237-2090 for more information on how to apply for a scholarship or if you have any questions about the training.

Training Dates: January 13-24, 2020 Application deadline is December 6, 2019

Applications will be scored by committee. Those who are already employed as Peer Support Specialists will have priority. If you are accepted, you will have 5 days from notification to notify us whether or not you will be able to attend. If you have not notified us within 5 days of your acceptance, your slot will be awarded to someone else.

Thank you in advance for your interest in the Peer Support Specialist program and for your commitment to a future focused on recovery, resiliency and wellness for Louisiana.

Sincerely,

Ricardo Williams

THIS SECTION IS TO BE FILLED OUT BY THE EMPLOYER OR SPONSORING AGENCY ONLY

To Employer or Sponsoring Agency:

The person you have employed as a Peer Support Specialist or are sponsoring for training is applying for Peer Support employment training. The skills that your employee or sponsee will bring back to your organization are extremely valuable in providing person-centered recovery oriented services. Please note that this training will require your employee or sponsee to attend full time for 2 weeks. If the training is outside of your employee or sponsee's home area, a hotel room (to be shared with another trainee) and lunches during training days may be provided depending upon availability of funding. Your employee or sponsee will be responsible for travel costs, and meals outside of those discussed. All training materials will be provided.

Providers or sponsoring organizations that are not LDH state operated organizations, which includes LGEs and state operated hospitals, will be expected to submit a \$500 registration for their Peers to attend the training. This payment must be submitted prior to training, to The Extra Mile, Region IV, who is contracted to arrange Peer Support employment trainings for the Office of Behavioral Health. You will be contacted by them to arrange payment.
