Prior authorization requirement update for Mylotarg (gemtuzumab ozogamicin)

Effective July 1, 2018, prior authorization (PA) is required for Mylotarg (gemtuzumab ozogamicin) to be covered by Healthy Blue through the medical benefit. Federal and state law as well as state contract language including definitions and specific contract provisions/exclusions take precedence over these PA rules and must be considered first when determining coverage. **Noncompliance with new requirements may result in denied claims.**

PA requirements will be added to the following:
