

You're invited!

Rescheduling: Healthy Blue's Diabetes Prevention and Management Symposium

Healthy Blue is rescheduling this webinar. Please stay tuned for a new date and time early next year.

During this training, we aim to provide education on prevention, management, impacts on behavioral health and management of quality measures. Our presentations will assist you in providing the best quality of care as it relates to patients at risk and diagnosed with diabetes. Each topic offers continuing medical education (CME) credit through the American Academy of Family Physicians.
