Revenue code 0942 billing guidelines

Summary: Effective August 1, 2018, Healthy Blue will follow the Louisiana Department of Health requirement for revenue code 0942. Healthy Blue will only consider reimbursement of revenue code 0942 when one of the following HCPCS codes are billed:

- G0108 — Diabetes outpatient self-management training services, individual, per 30 minutes
- G0109 — Diabetes self-management training services, group session (two or more), per 30 minutes

What this means to me

Program logic will be put in place to deny a claim line if revenue code 0942 is present and the accompanying HCPCS or CPT code billed is not G108 or G0109. Outpatient hospitals will be reimbursed at a flat fee for these services as indicated on the applicable *Louisiana Medicaid Outpatient Hospital Service Fee Schedule*.
