

You're invited!

Provider coding education (CME/CEU) webinars and on-demand trainings now available!

You can now access all provider coding education events for Healthy Blue with one easy, convenient link: <https://qr.go.page.link/JTTBR>. We will add new topics to the training page, so please check it often. Enjoy informative webinars designed specifically for network providers, coders, billers and office staff. A variety of helpful and educational topics relating to coding and documentation, claims and billing issues, member care, quality measures, and more are available.

Live events: Each live training webinar event awards one unit of continuing education.

On-demand events: A library of recorded webinars is available for your convenience, which is a great way to stay updated on relevant information. After registering, you will receive a confirmation email with details and a password. Currently, we offer CME only for on-demand events.

On-demand events password: Louisiana21

Our topics focus on:

- Improving the patient experience
- 2021 CPT® coding changes
- More topics forthcoming
