Cómo puede ayudar a sus hijos a mantenerse sanos

Los bebés y los niños necesitan más cuidados para tener un buen comienzo en la vida. Por eso es importante que los niños se realicen chequeos de control pediátrico en el momento adecuado. Su manual del miembro le informa con qué frecuencia los niños deben ver a su PCP para las visitas de control.

Estas visitas también ayudan a los médicos a detectar los problemas de salud lo antes posible, cuando es más fácil tratarlos. Durante las visitas de control pediátrico, su hijo recibirá servicios como los siguientes:

- Control de estatura/peso.
- Vacunas (inyecciones).
- Pruebas de tuberculosis, plomo y otros problemas de salud.
- Exámenes de ojos y oídos.
- Exámenes físicos.

- Revisiones nutricionales.
- Prueba de detección de autismo.
- Revisión de hitos del desarrollo.
- Consejos de salud y seguridad.

Puede ver a cualquier proveedor de la red de Healthy Blue para completar las visitas de control pediátrico para niños menores de 21 años. No necesita una referencia. Si necesita ayuda para encontrar un PCP para su hijo, haga lo siguiente:

- Llame a Servicios para Miembros al **844-521-6941 (TTY 711)**.
- Visite nuestro sitio web para obtener una lista actualizada de los proveedores.

Cómo recibir cuidados especiales

Su PCP lo enviará a ver a otros médicos (llamados especialistas) u hospitales si necesita cuidado especial. Esto se conoce como una referencia. Eso significa que su PCP:

- Está de acuerdo en que usted necesita cuidado especial para un problema.
- Lo enviará a un médico que se especializa en su problema; por ejemplo:
 - o Alergista (para problemas de alergias).
 - o Cardiólogo (para problemas del corazón).
 - o Dermatólogo (para problemas de la piel).
 - o Proveedores de salud mental.
 - o Proveedores de tratamiento para abuso de sustancias.

Asegúrese de que su especialista se encuentre en su plan para que su cuidado esté cubierto. Se pueden aplicar requisitos de autorización previa. Healthy Blue no requiere referencias, pero un proveedor podría requerir referencias para acceder al especialista asociado.

Lo que necesita saber sobre los Centros de Salud Calificados Federalmente (FQHC) y las clínicas de salud rurales (RHC)

Los servicios ofrecidos a través de un FQHC o RHC están cubiertos en las siguientes circunstancias:

- Si vive en el área de servicio del FQHC o RHC.
- Si solicita estos servicios.

Healthy Blue cubre servicios de salud física y conductual prestados por proveedores aprobados en un FQHC o una RHC. Si no hay un FQHC o una RHC de la red en su área, cubriremos los servicios proporcionados en un FQHC o una RHC que no esté en la red. Si necesita ayuda para encontrar un FQHC o una RHC que se encuentre en nuestra red, llame al **844-521-6941 (TTY 711)**. Se aplican ciertos límites. Es posible que se requiera aprobación previa.

Proveedores de cuidado médico para indígenas

Si usted es amerindio y es elegible, puede obtener servicios de un proveedor de cuidado médico para indígenas (IHCP). Esto significa que:

- Puede obtener servicios de un IHCP, independientemente de si está en nuestro plan o no.
- Puede acceder a IHCP que se encuentren fuera del estado.

- Un IHCP fuera de la red puede referirlo a un proveedor que sea parte de nuestro plan.
- Puede elegir un IHCP como su proveedor de atención primaria (PCP) si puede brindar servicios de PCP.
