

You're invited!

Provider educational webinars now available!

You can now access all provider coding education events for Healthy Blue with one easy, convenient link: [Louisiana 2022 provider webinars](#). We will add new topics to the training page, so please check it often. Enjoy informative webinars designed specifically for network providers, coders, billers, and office staff. A variety of helpful and educational topics relating to coding and documentation, claims and billing issues, member care, quality measures, and more are available.

Live events: Each live training webinar event awards one unit of continuing education.

On-demand events: Access our on-demand library of recorded webinars and learn at your convenience, which is a great way to stay updated on relevant information. After registering, you will receive a confirmation email with details and a password.
