## Continuing to Explore the Intersection of Race and Disability

*This communication applies to the Medicaid and Dual Advantage programs for Healthy Blue.*

Register today for the Exploring the Intersection of Race and Disability forum hosted by Healthy Blue and Motivo\* for Healthy Blue providers on September 21, 2022.

Healthy Blue is committed to making healthcare simpler and reducing health disparities. We believe that continuing the discussion we started at our [June 2022 event](#) to deepen the conversation about the disability experience for people of color is critically important. Authentic conversations lead to reducing implicit bias and improving the health and wellbeing of all Americans and the communities in which we live and serve.

Please join us to hear from a diverse panel of experienced professionals from Motivo and Healthy Blue about the intersection of disability and race. This forum will explore ways we can advance equity in healthcare, demonstrate cultural humility, address and deconstruct bias, have difficult and productive conversations, learn about valuable resources, and increase the diversity of the healthcare profession.

**Wednesday**  
**September 21, 2022**
