

You are invited: HEDIS[®], documentation, and coding education

Louisiana | Healthy Blue | Medicaid Managed Care

You are invited to our webinars for network providers, coders, billers, and office staff. Earn a continuing education credit for each webinar!

HEDIS[®] is a registered trademark of the National Committee for Quality Assurance (NCQA).

Upcoming topics include:

- Improving the patient experience
- The role of CAT II Codes and risk adjustment in comprehensive care management
- E/M, medical necessity, and denial prevention
- EHR accuracy that improves quality and risk scores
- Intersection of chronic conditions and healthy nutrition
- Integrating behavioral health into primary care
- Supporting maternal health: depression, child development, and support services
